

PARTS & MATERIALS

◆ Specialized part manufacturing for wafer processing

Quartz
Silicon
Sapphire
Aluminum

◆ Specialized parts for wafer processing

He-Ne Laser	Screw
Bearing	Power Supply
YAG Laser	AC Motor
Diffusion Pump	RF Generator
Argon Laser	DC Motor
Cryo Pump	Trap
UV Laser	Servo Motor
Turbo Pump	Matching Box
Excimer Laser	Ion Gauge
Fitting Valve	Controllers P.C.B
Vacuum Gauge	O-Ring
Throttle Valve	Molecular
Vacuum Switch	Stainless Seal

◆ Industrial Lamps

Krypton Ark Lamp for Laser excitation
Xenon Flash Lamp for Laser excitation
High pressure Mercury Lamp
Halogen Lamp
Metal Halide Lamp
UV Lamp
Mercury Lamp for edge exposure
Mercury Lamp for inspection system

◆ Customized parts for various wafer processing

We offer material selection, process, design and surface treatment for manufacturing of mechanical parts.
